*"WE ARE PRIVILEGED FOR DOING WHAT WE DO AND BEING WHERE WE ARE.
ALWAYS ON A QUEST FOR THE NATURAL WAY OF OBTAINING FROM THIS GREAT
LAND WHAT IT GENEROUSLY OFFERS."*

A sustainable company

- Always searching for the most natural way of doing things, our agrienvironmental practices are sustainable and respectful with the environment.
- Our vineyard extends for 135 hectares and belongs to the *Vega del Duero – Riberas de Castronuño* natural reserve.
- Grape harvesting 100% sustainable and no chemical products used in any process.
- Wine made with grapes from 4 different *Denominaciones de Origen* (Toro D.O, Cigales D.O, Rueda D.O y Ribera del Duero D.O)

A sustainable company

- Grapes exclusively from the geographical area that belongs to the *Denominación de Origen*.
- High quality and special characteristics obtained thanks to the special geographical environment our grapes grow in.
- Wines with a high prestige in the market achieved thanks to its provenance.

Natura 2000

- European network of nature protection areas.
- Our vineyards are located in two SCIs (Sites of Community Importance): Riberas del Duero y afluentes y Riberas de Castronuño.
- This means that we work with nature rather than against it by managing our business in a sustainable manner, both ecologically and economically.

Copaboca, Natural Brand of CyL

- Distinctive of provenance for tourist services, and artisan and agri-food products from companies located in a protected natural area.
- Our 135 hectares of vineyards belong in the natural reserve *Vega del Duero* – *Riberas de Castronuño*, obligatory route for different migratory birds which allows us to be a part of the Natural Brands of Castilla y León group.

Copaboca, Natural Brand of CyL

- Thus we count with:
 - A high quality level accredited by different renowned entities.
 - Vineyards and facilities that follow the environmental legislation of application.
 - A strong compromise to carry out good environmental practices and promote and divulge the values of the natural area we are in.
